we inspire, create and publish your webproject

Bene is a small web agency based in Ronse, Belgium. We bring life to your project, whether printed or digital, by looking for the most suitable options.

We inspire, create & publish your website, your email newsletter or your brand. You don't have to worry about the technical side of

things to make your ideas work. We do enjoy discussing projects with you, and value your participation in the project.

Bene was founded over 10 years ago and is one of the long-time players in Belgium.

You can use our tons of experience, but also our fresh and

enthusiastic view on things.

Your project is managed carefully with respect for timing and budgets, our support is always personal and responsive.

What we do?

We bring great graphic design to the modern web. We've melded traditional design practice with modern web development. This way we provide our clients with simple but very effective solutions for the most complex challenges the web has to offer. Our expertise is matched by our ability to deliver above and beyond what is expected.

Our services include:

- Branding
- Web Design
- Graphic Design & Pre-press
- Illustrations
- SEO & Analytics
- CMS & Blogs
- Email marketing
- Hosting & Domain-names

For who?

Our clients are varied; from international manufacturers and global software companies to small, local businesses with a great vision.

Selected clients:

- Microsoft
- Metos
- University of Liege
- Stanleybet
- De Noordboom
- Eurabo
